

Dear Parents and Guardians,

On Wednesday, May 16th our students will be participating in the first of our 5th Grade Finale activities - the Ropes Course at Perimeter Church. Please read below for all the information you will need to know.

*Sojourn Adventures runs this ropes course on the campus grounds of Perimeter Church.

*The Ropes Course Event will take place from 8:30-1:30 at Perimeter Church.

*The students will be walking from the school that morning to Perimeter Church through the woods that connect our two properties. We will be leaving the school at 8:00am so it is very important your student arrives to school on time that morning.

***All students should wear their 5th grade shirt**, closed-toed shoes, sunscreen and pants/shorts appropriate for outdoor weather.

*Water will be provided by Sojourn Adventures throughout the course, so no need to send in water bottles. If they do bring one to school, they will be asked to leave it in their classroom.

*Pizza, Gatorade, snack and fruit will be served for lunch. Please note, if pizza is not suitable for your child; please bring a suitable NON-NUT option with them to school the morning of the event.

***All parents are welcome. We will need two parents from each homeroom to be “official chaperones”. These parents will walk with the students from school to Perimeter Church and then back to the school at the end of the day. Official Chaperones must be at school ready to leave at 7:45. All other parents are asked to meet at Perimeter Church. If you would like to chaperone your child’s class, please send an email to your child’s homeroom teacher as soon as possible. *Please remember, any adult who is chaperoning must fill out the Mandatory Required Training which is found on our school’s home page.**

*Parents will be able to take their child home from the ropes course. There will be a sign out sheet for parents at Perimeter Church. They will be able to check out their child/children **ONLY** straight from the ropes course. If parents are requesting to pick up other children other than their own, the school will need written permission prior to going to the ropes course. All other children will return to school for the usual end of school routine.

*If you have any questions regarding the ropes course you can find out more information by visiting the following website: <http://www.sojournadventures.org/frequently-asked-questions>.

*Please sign the waiver at the link below. Please print off the confirmation page and return to your homeroom teacher by Thursday, May 3rd.
